Mounting and Laminating

Illustration Board is a smooth white cardboard, 3/32" thick. It is our most economical mount. **Gatorfoam®** has an inner core of extruded polystyrene bonded between two layers of wood fiber veneer. It is lightweight with excellent durability.

Flush Mounting - the print is mounted on same size board.

Spot Mounting - the print is mounted on a larger board. **Add 50% to price.**

Mounted prints do not qualify for free shipping.
